Transformed

How God Changes Us

The only way to truly change your life is to change the way you think. During this series, based on the Transformed study, learn about the habits, truths, and characteristics that enable change—lasting change—to happen in your life.

The world thinks it has the answers to our relationship struggles, solutions to our financial troubles, and explanations to our search for meaning. But these false promises leave us empty and searching for more.

God's Word is the only answer that promises to transform our lives from the inside out. During this 50 Day Series, we will study how to:

- Grow closer to God
- Live life with less stress
- Reconcile broken relationships
- Better handle money
- Be more confident at work

Let's unite as a church and become

Transformed together!
